(605) 326-5373 • (605) 366-9470 - cell

EN: 10-6 • Born: 1-10-08 • 9 born, 9 weaned  
148# litter wt. at 19 Days • Dam's SPI: 103.70 • Granddam's SPI: 106.58

Oh my—what do we have here?! From the home of tough-made, wide-based, heavily muscled Chesters that perform in confinement, this one will have you talking at Austin. From a breed noted for its durability and production and from a herd that has put emphasis on these traits, your 2008 Chester White Hog College Gilt exceeds the curve. This female has width, rib shape, bone, underline (6-6), vulva size, blade, forearm and extreme flexibility. This one will get you excited about Chesters again.

Sired by AB'S Vendetta, with a great Turbo mother and a superb RS Classic grandmother (10-5) with 5 parities and 9 daughters in the herd. The 28-2 dam is a littermate to Rasmussen's herd sire 28-5, who sired the \$5,000 Champion Gilt at Chickasha in '08. Grand Drive, WTX Hero, Classic, John Deere Green and other breed stalwarts grace this powerful female's pedigree.

From a herd that has a proven track record of producing breed improvers and Chesters that have more bone, body, width and muscle than most, your 2008 Chester White Hog College Gilt will impact the breed for years to come. Gather ringside on September 10 in Austin, Minn.

***A sincere thanks to Robert Rasmussen for sharing this unique breeding piece to the Chester White breed.***

**POWER  
WITH  
PERFORMANCE**
