Cliff (618) 407-8775 - cell

EN: 6-1 • Born: 2-19-08 • 12 born, 12 weaned - 180#/21-day wt.

Stress Status: Negative

With the need to identify a structurally correct, greatly designed and properly balanced Spotted boar, the 2008 Spotted Hog College Boar emerges at a great time. Perhaps never before has a boar of this phenotype surfaced in your genetic population. Study the big, even toes, front and rear, heavy-flat bone work, width of chest, level, long, thick rump, near perfect blend of shoulder to loin, long and muscular top and impeccable soundness, both front and rear and we have a great herd boar in the making. We can use all the superlatives you want talking about this exciting prospect, but we'll let him speak for himself at Austin. Spotted breeders—HERE HE IS!

Sired by DLM16 Maui 1-2, the '06 STC 2nd top-selling boar at \$1,900, he has sired the '08 Illinois State Fair Champion and \$1,500 top-selling gilt, a 5-times champion in Williamson County Texas, a \$1,500 '07 Fall Classic gilt and a son that produced the '08 Illinois State Fair Junior Show Champion Gilt, selling at Indiana as a classwinner for \$2,500.

This 3rd parity dam is the mother of a 2nd place barrow at the '07 NBS, '07 Fall Classic \$1,500 gilt, Reserve Gilt overall at Dixie National and a 2nd place gilt at '06 Georgia National. A littermate gilt to the Hog College Boar sold to Georgia and three went to California. The grandmother, Sara Lee 6-8, is a 4th parity sow and has put a number of daughters in the herd.

The maternal grandsire, **Big Step 4-6** was the '05 Spotted Hog College Boar and laid in a superior set of females for Behrmanns. With Maui, Challenger, One Giant Step, Admiration and many of the best sow families in the breed represented in this pedigree, this may be the most perfect Spotted sire to appear in generations. HERE HE IS!

**HERE HE IS!**

4 PSSS Maui 1-1 KATE3 Waikiki 1-5 → (B52)
