**Note Purebred Exhibitors:** An exhibitor may enter a total of four boars and four gilts (per breed) farrowed on or after Feb. 1, 2009.

Each exhibitor of breeding stock at the NBS® will be assessed a Progeny Test support fee of \$20 for each breed exhibited, in addition to individual fees for each boar and gilt entered, if they did not have a sire group on test in 2009. Non-participants in the Progeny Test will be assessed the Progeny Test support fee for each breed they exhibit at the NBS®; however, entry of one sire group of any breed qualifies an exhibitor to show any breed without paying the Progeny Test support fee. All Progeny Test funds will be distributed to those individuals who have placed hogs in the 2009 test.

All hogs entered in the NBS® are subject to being selected for use in the NBS® Swine Judging Contest that will be held Monday, Sept. 14, beginning at 8 a.m. in Crane Pavilion. For information regarding the NBS®, contact the ABA or CPS office.

For additional information concerning the requirements for the NBS®, contact the American Berkshire Association at 765.497.3618 or Certified Pedigreed Swine at 309.691.0151.
