or Jeff Morris (608) 346-9561.**

**Bred and Owned by M.D. Ideus, Camp Point, IL
(217) 593-6878**

EN: 1-6 Born: 2-09-09

**9 farrowed, 8 weaned • 115 lb. 21-day wt.
4th parity dam, weaned 41 pigs in 4 litters**

You know this one is a herd boar when he steps out of his pen. Starting with his wide, long poll, clean and long jaw, huge nostrils and dropping into a deep and wide chest—you see performance! His excellent side profile shows near perfect angulation from shoulder to forearm to knee to ground and he reaches far beyond his face with his stride. Yes, he is extra long bodied, heavy structured, big bladed, big forearmed, with even toes and a square top and rump with great balance from blade to loin to rump. His bone work is heavy and flat, with a tremendous long rump, thick dimensional ham and well-placed sheath, testicles and underline. He flat-out grew and represents the positive strengths of the Chester White breed.

The 2009 Chester White Hog College® boar combines many outstanding and popular bloodlines, including Atomic, Yakety Yak, Classic, Hero, Impact and others. In this writer's opinion, this boar is one of the true breeding boars to sell in the past few years. Congratulations to M.D. Ideus for sharing him and making him available for the breed.
