For pen assignments only, it would greatly help if you would indicate on your entry form how many head are double-entered — number of head entered BOTH in the JUNIOR SHOW and also in the OPEN SHOW.

The Health Regulations will be sent to all exhibitors once the Breed Associations receive your entries. These regulations are not available at press time.

The veterinarian on staff will be available starting Tuesday, June 2, therefore lines to check in entries at the fairgrounds should be greatly reduced in 2009.
